

RESOLUTION NO. 123

RESOLUTION TO AMEND APPENDIX "A" IN ORDINANCE 2025-01 TO MATCH BOARD APPROVED INCREASES FOR WATER RATES, WATER PLANT INVESTMENT FEES, AND CHARGES FOR BIGFORK COUNTY WATER AND SEWER DISTRICT

RECITALS

WHEREAS, the District hired Raftelis Financial Consultants, Inc, and held a public hearing on May 29th to provide a detailed rate study and 5 year financial plan to ensure that an adequate level of income from water rates are maintained to finance daily operations, fund needed maintenance and improvement projects, meet debt coverage requirements, fund reserves, and ensure rates are fair and aligned with the District's goals and community values and passed by the board and made effective July 1st, 2025.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the District (the "Board") as follows:

1. Reason for Adopted Water Rate Increase. Revenue from rates need to be sufficient to cover operating expenses, repair and replace capital, debt service coverages, and supplement growth-related capital when necessary. Current rates are not sufficient to cover annual expenses. Therefore, revenue adjustments are required to generate sufficient revenue to cover annual expenses and to build reserves over the 5-year financial plan.
