

RESOLUTION NO. 133

RESOLUTION TO ADOPT INCREASES FOR WATER AND SEWER RATES FOR BIGFORK COUNTY WATER AND SEWER DISTRICT

RECITALS

WHEREAS, the District hired Raftelis Financial Consultants, Inc, and held a public hearing on May 29th 2026 to provide a detailed rate study and 5 year financial plan to ensure that an adequate level of income from water and sewer rates are maintained to finance daily operations, fund needed maintenance and improvement projects, meet debt coverage requirements, fund reserves, and ensure rates are fair and aligned with the District's goals and community values.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the District (the "Board") as follows:

1. Reason for Adopted Water Rate Increase. Revenue from rates need to be sufficient to cover operating expenses, repair and replace capital, debt service coverages, and supplement growth-related capital when necessary. Current rates are not sufficient to cover annual expenses.
